*** Declaration**

- I am aware of and familiar with the requirements for the IECEX Certificate of Personnel Competence or the IECEX Ex Facility Orientation Certificate (EFOC). Should my application for certification be accepted, I understand that these requirements shall be fulfilled.
- I accept that my contact- and assessment details will be stored by Exert Certification for 5 years in accordance with the rules of IECEX.
- I confirm that certificate shall be issued and uploaded at www.iecex.com by successful assessment result for the unit(s) applied for. I agree to notify Exert Certification in written and before the assessment(s), in case I want to hold the issuing of the certificate due to plans of assessing higher units within 3 months after first assessment.
- I will notify the Certification Body in good time before the assessment if I am in the need of any special accommodation in connection with the execution of the assessment(s).
- I declare that I will not disclose any information about the assessment questions and assignments to any third party.
- I declare that I will comply with existing requirements for the IECEX Certification of Personnel Competence Scheme, will not misrepresent the scope of certification and agree to pay the expenses in connection with my application.
- I declare that I am familiar with IECEX 05A - Guidance and Instructions for Applicants to obtain a Certificate of Personnel Competence (CoPC) and that I will comply with this guidance.
- I declare I am familiar with and accept the rules for using the IECEX logo – ref IECEX 01B - Rules and guidance for the use of the IECEX logo.

Education, Training and Work Experience

Work experience both Hazardous and Non-Hazardous Areas

Send a brief resume (CV) in chronological order (latest experience first). The resume should provide details of the Employer, type of industry, position and responsibility.

Work experience in or associated with Hazardous Areas

See IECEx OD 504 and specify the relevant information related to the prerequisites for the units you apply for in the fields below. The Work Experience Record should include examples of **actual work done** in or associated with hazardous areas.

Send evidence of the relevant training and work experience.

To see if you fulfill the prerequisites in OD 504, your experience is assessed on the basis of:

- Qualifications, education and training
[Level of technical education attained]
- Experience period
[Total years of relevant experience]
- Relevance of experience
[e.g. installation, design, selection, inspection, test, maintenance etc.]
- Level of supervision
[Supervision of others, or work under supervision]
- Type of sites and plants worked on
[e.g. shipbuilding, oil, chemical, petrochemical, pharmaceutical, waste water, mill, sugar refinery, woodworking etc.]

Sufficient information should be provided to enable an evaluation to be made of your work experience.
